Planning and Cutting

A doormat with an interlocking link motif inspired Janice to make this fun quilt design. She also challenged herself to use a precut fabric strip pack (Tonga Treat™) of the Spice Market collection by Timeless Treasures. Fabric values (relative lightness to darkness) are an important part of this design. If you use precut fabric packs, divide the strips into 3 groups: 15 A strips of the lightest fabrics, 30 B strips of the medium fabrics, and 60 C strips of the darkest fabrics. Cut patches as listed in the **Cutting Instructions**. Each block requires:

- 2 A fabrics (4 squares 2½" x 2½" of each fabric)
- 2 B fabrics (4 rectangles 21/2" x 41/2" of each fabric)
- 2 C fabrics (4 strips 21/2" x 101/2" of each fabric)

We recommend you select patches for each of the 30 blocks in advance, and keep them together by block in plastic sandwich bags or other containers. Sew 1 block at a time.
